THE CARDINAL

Nineteen Hundred Seventy Four
Plainville High School
Plainville, Kansas
Volume LXIX

Foreword

As we enter these halls we enter into a year full of events. Events that we will take part in and become part of. In this book we, the Cardinal Staff, hope to capture the events that mean so much to you.

There are many things that we will remember about the school year 73-74. Ten years from now we may be wondering how we made it through . . .

the MCL championship game which we won by two points . . .

or the ever rising cost of food . . .

and those crazy school hours . . .

or the year that dragging main became the exception instead of the rule . . .

or the big freeze out —
indoors

not to mention the
tight squeeze on the
Pep Club bus ...

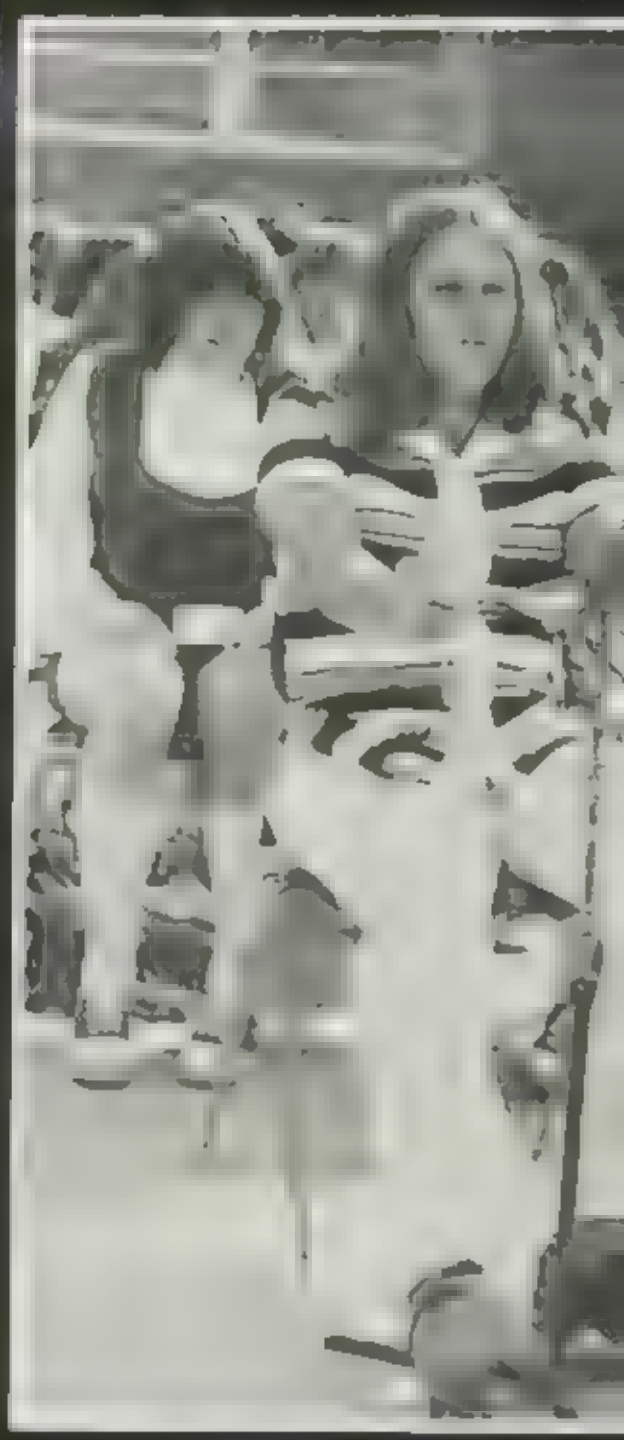

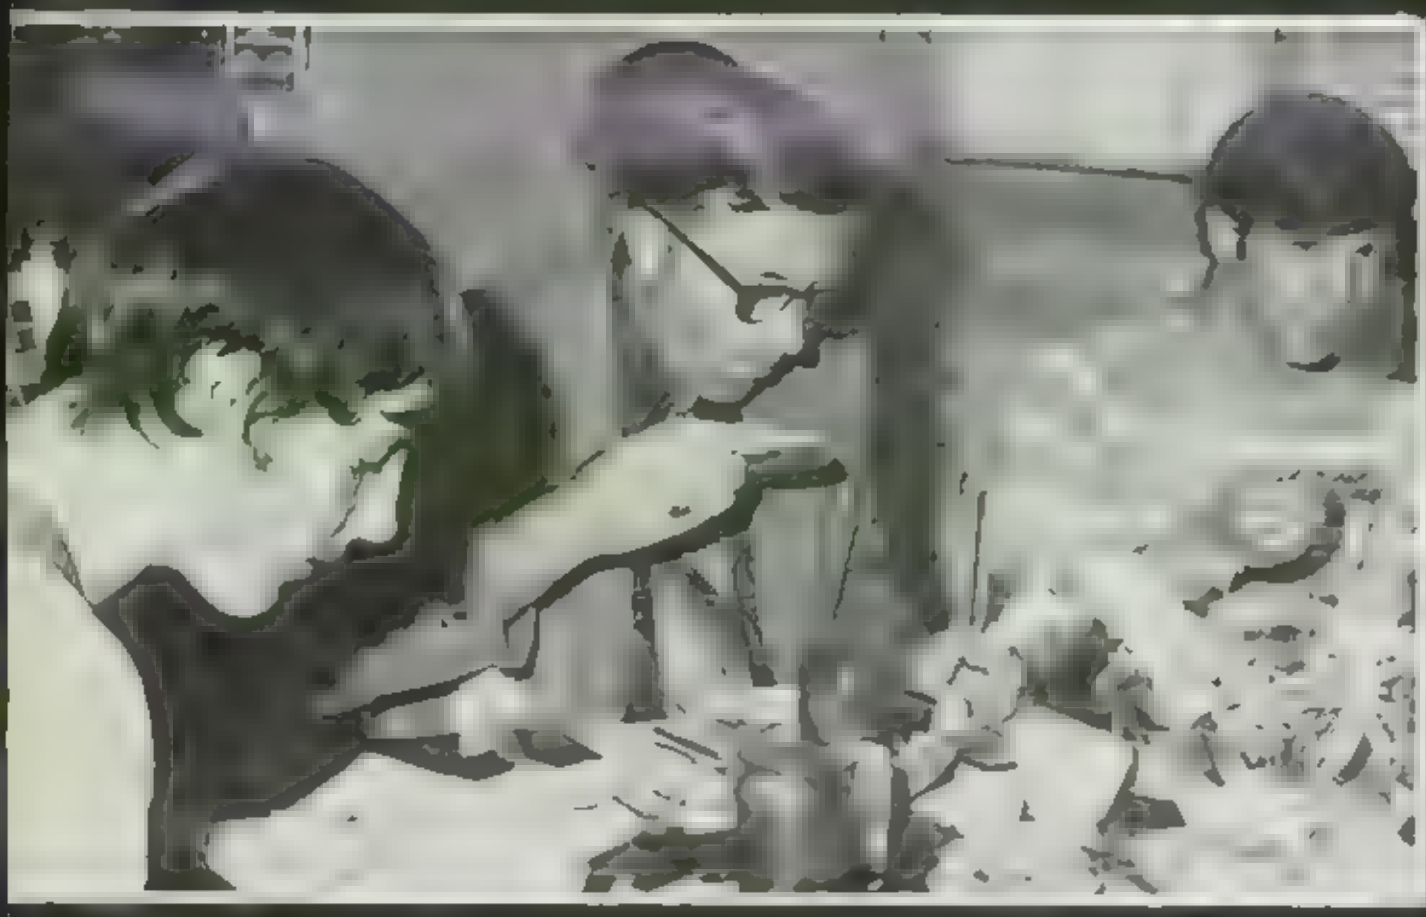

and then there was always the paper shortage ...

But together we did!

J. D. Brunnemer

J. D. Brunnemer New Superintendent to PHS

J. D. Brunnemer is the new superintendent of U.S.D. 270. He came to us last summer from Belleville, Kansas, where he was high school principal. This being his first experience as superintendent, he commented that he missed the direct contact with the students.

Mr. Brunnemer's job is much more complicated than most people realize. His most important responsibility is to carry out the policies which the board of education sets up for the school. Another of his important duties is making up and overseeing the budget.

Mr. Brunnemer's hometown is Cawker City, Kansas. He received his B. A. from Kansas Wesleyan and his Masters from Kansas State University.

Always working with and for the students, he was seen at every ball game and school function and even allowed the seniors to pick their own graduation speaker.

On behalf of the entire student body, the annual staff would like to say thanks to Mr. Brunnemer for doing a fine job.

The School Board Battles the Energy Crisis

Kathy Slimmer, Student Representative, serves refreshments to the Board

The School Board is a group of unselfish townspeople who give freely of their time to help make all USD 270 schools the greatest source of education a student could ask for. Once, and sometimes twice a month these eight people devote their entire evening towards discussion of ways to improve our education in the most efficient ways. This year they applied for membership in the North Central Educational Purchasing Association, a co-operative that will allow us to purchase school supplies at savings of 25% or more.

As the energy crisis loomed over our heads, and we switched to Daylight Savings Time, our schools kept their regular hours. We came to school in the dark and didn't save any energy, but the quick thinking of the Board saved us from changing our out-of-school schedules. Every move made by the School Board has been in the best interest of both we students and our community.

Mr. Dale Roll is the board president. Vice-President is Mr. Jack Mock, and Mr. Paul Van Dyke is Treasurer. Mrs. Kagay Wheatley is clerk of the Board.

Mr. Hargrave Finishes His 22nd Year At PHS

Mr. Hargrave first began his career at PHS in 1952 as American History and P. E. teacher. Of the eleven years he coached football, 9 were winning seasons. He also assisted in coaching basketball and was head coach in track. Due to the lack of appropriate facilities, track was discontinued and he became baseball coach. New track facilities were started under the administration of Joe L. Gray, who Mr. Hargrave remembers as an avid track fan, and he once again took over the duties of track coach.

In 1963, Mr. Hargrave replaced Larry Marsh as high school principal. Some of his duties are to plan curriculum, schedule classes and run the school office. A well-qualified individual for this job, Mr. Hargrave received his B. A. from Kansas Wesleyan and his Masters from Hays.

The man on the intercom may just seem like another part of the school, but in years to come he will be remembered as a vital part in the development of our education.

Teamwork, in many aspects of the word, is very well utilized by our teaching staff. Each as a teacher for a separate subject, but all working together as a team to help the students.

So thanks to our teaching team, we the students may have the knowledge we need to live in this world.

As a teacher once said, "this world is made up of a lot of complicated things, we must learn to use them wisely."

As part of our team, the cooks play an important role. The cooks, under the supervision of Verna Dene Hamblet serve hot lunches every day to both grade school and high school. These eight women, (FIRST ROW) Daisy Stagner, Marcell Strouse, Dolly Axelsson, Rose Benedict, June Mayhew, Minnie Marcotte, (SECOND ROW) Betty Mock, and Verna Dene Hamblet, play an important part in the nourishment of the educational branch of our community. As one, these eight women have not only the talent, but the know-how in serving the finest quality meals.

Being the full time secretary to the superintendent is not the only thing Kagay Wheatley does. Along with her duties as secretary Kagay is also the clerk of the board.

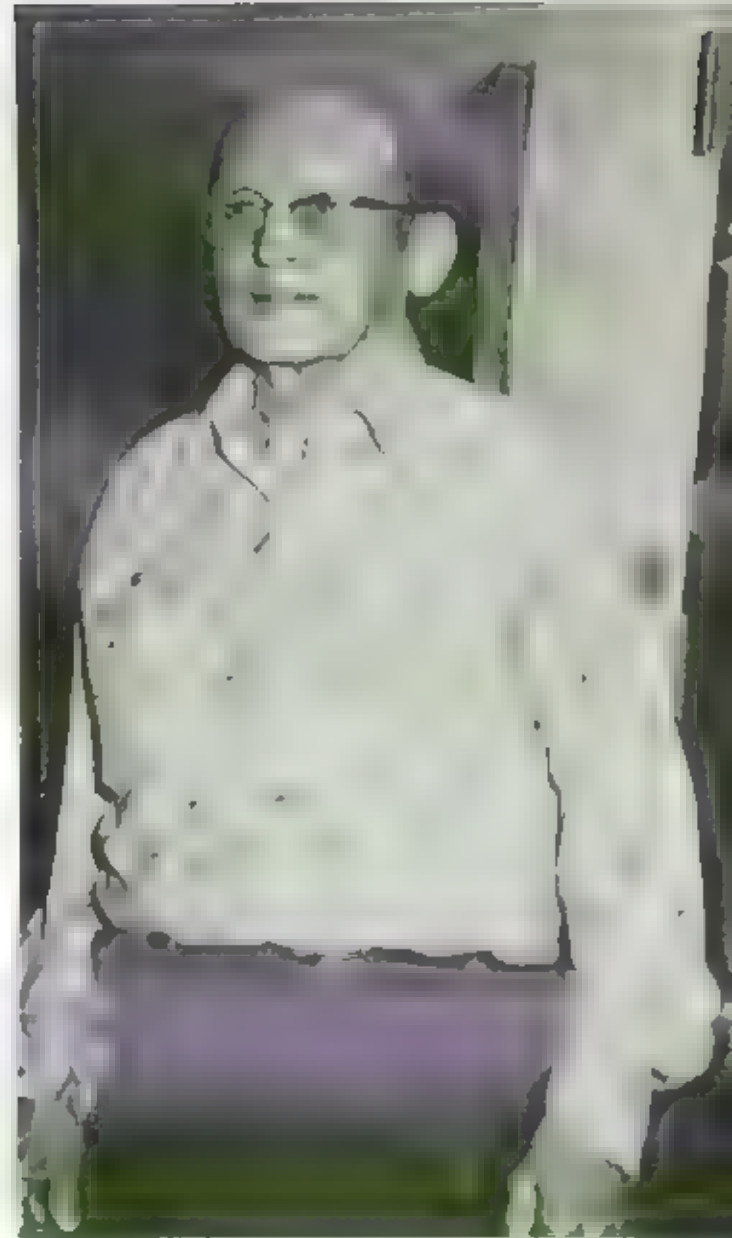

Deb Strouse and Deb Hutton also do a fine job as assistant secretaries for Kagay.

As maintenance engineer and head custodian, Scotty Reidel faces an important job. With many years of loyalty and faithfulness, Scotty ended his career as P.H.S. maintenance. Many years of hard labor and fine trustworthiness comes to an end with only our thanks and appreciation for a job well done. Also as his head assistant, Joe Hake does a fine job

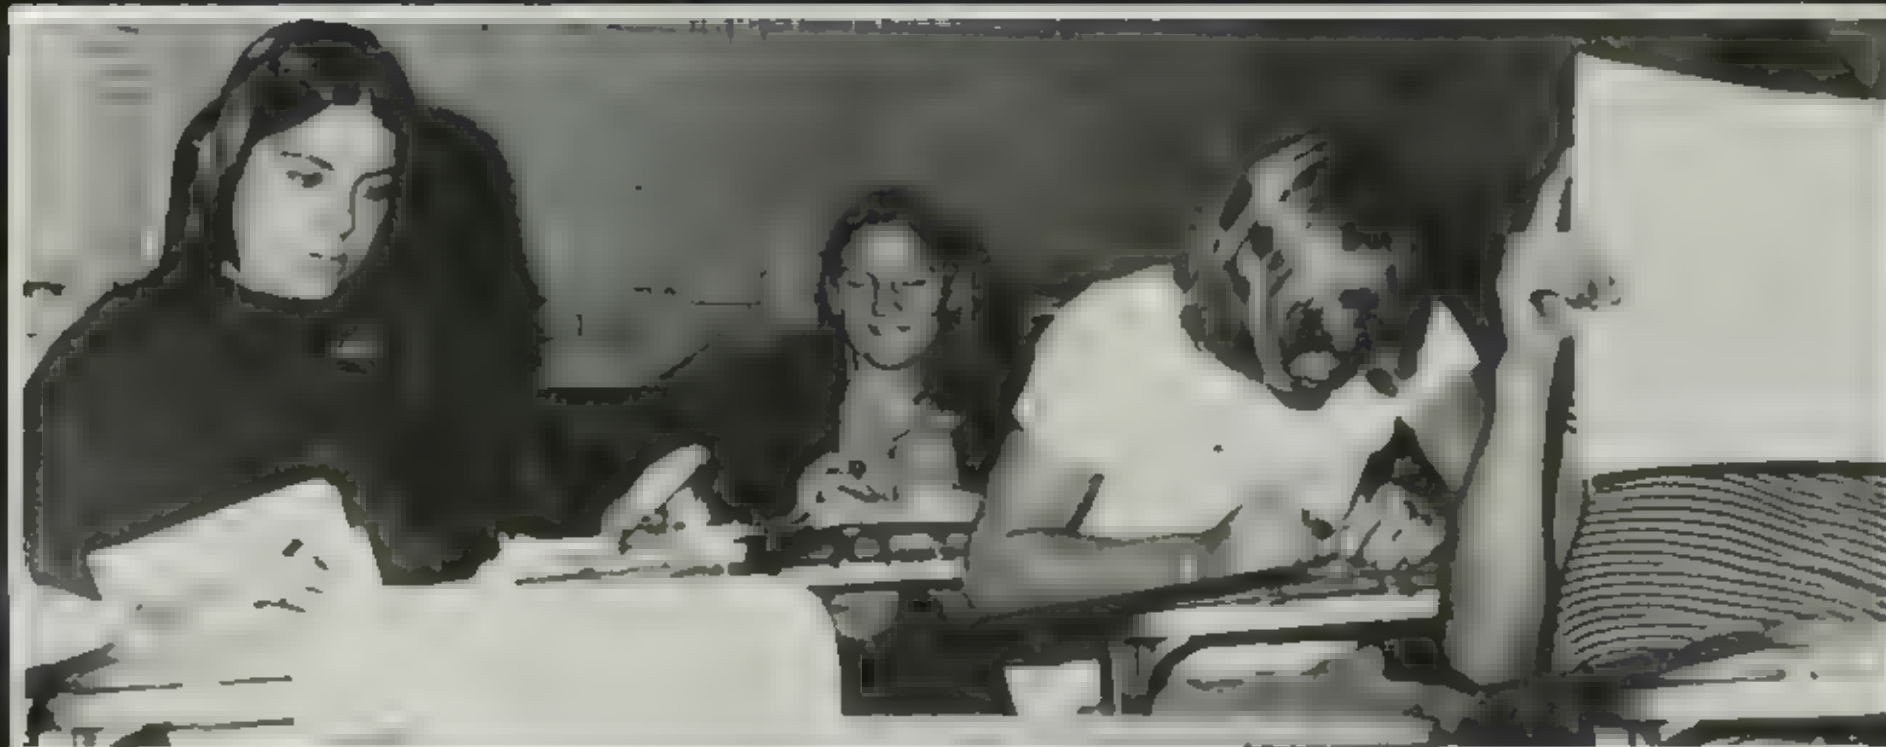

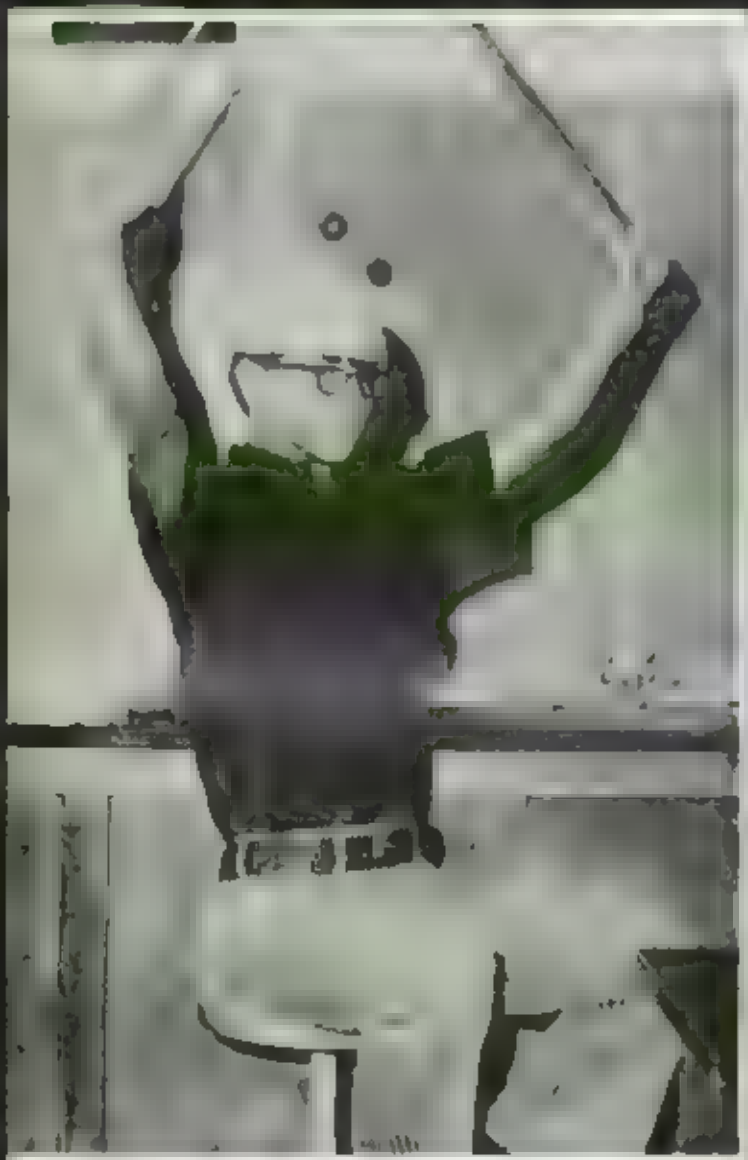

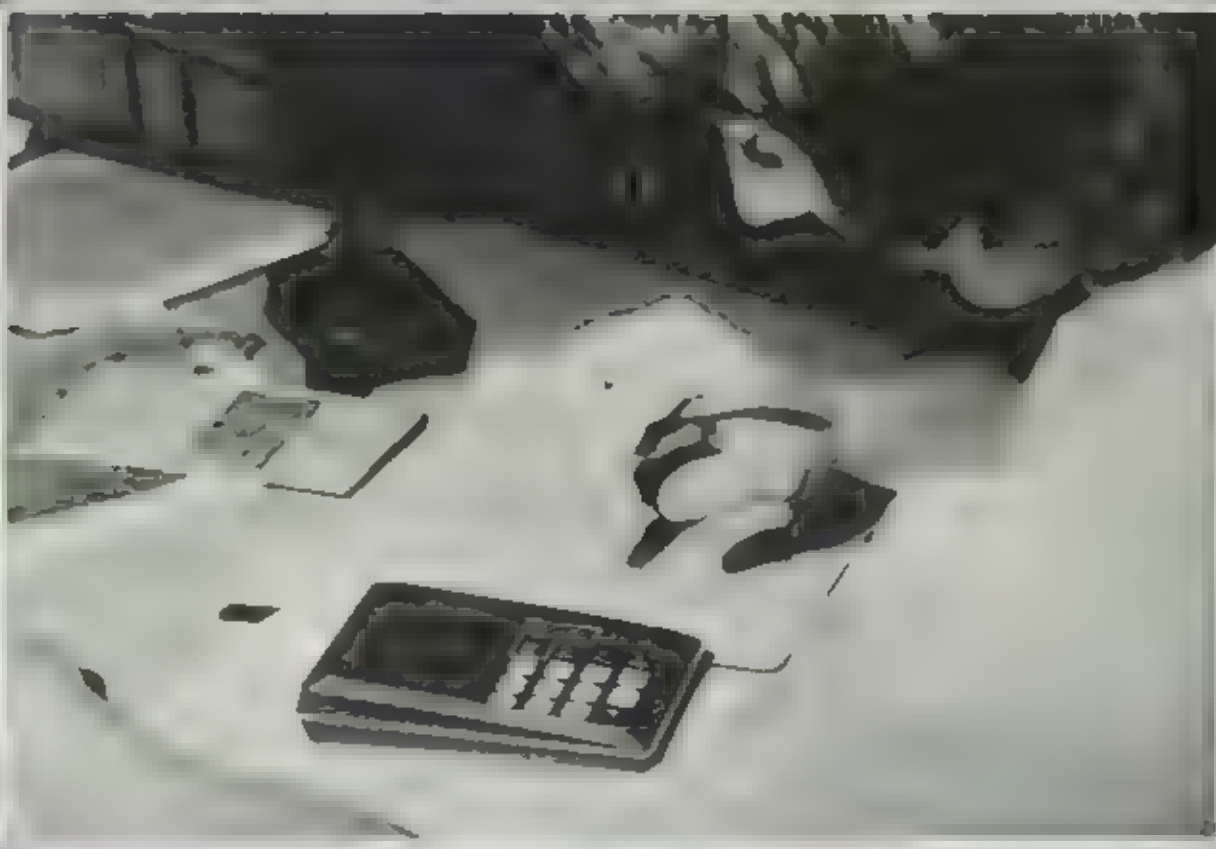

Among the maintenance staff are a few of our finest students: (LEFT to RIGHT) John Moeder, Allen Rempe, and Frank Copeland.

The safety of many of our rural students are in the hands of our loyal bus drivers. Each morning a safe arrival at school is depended upon these people: (LEFT to RIGHT) Lee Smith, Jim Benham, Max Glendening, Ray Welch, Gerald Doerfler, and June Hachmeister. Not pictured Darold Jennings.

"The three branches of our government set forth in. . . ." "The Czars were overthrown by the Bolshivek Revolution in. . . ." "What is abiogenesis?" "When I speak of a molecule, I mean. . . ." The clicking of my heels echoes in the hall behind me as I reminisce on the four years I spent at PHS. I remember the teamwork--Helping each other open our lockers on Orientation Day. Winning the spirit stick on Cardinal Day, 1972. Breaking our goal in magazine sale (first time ever). And hearing the class of '74 named champs at the Indoor Olympics two years in a row. Individual efforts come to mind, too--Five girls broke the sex barrier and entered Industrial Arts I. A young man's strength of mind and body helped him recover from extensive back surgery. Another young man helped to raise \$200 for the United Fund and started a new tradition as Powder Puff King. A girl's total involvement won her a state office in FHA, and a football player's consistency and determination earned him a nomination to the All-American team. But the things I know I'll miss most are the seemingly minor details--Daily arguments with freshmen on whether seniority means superiority. The lump in my throat when I heard the Star-Spangled Banner at our last game. The exhilarating feeling I got as I watched a defensive end intercept a pass or a guard toss the winning shot through the hoop with two seconds left. The Pep assemblies with enough meaning to bring tears to my eyes. A band concert that sounded like New York's Philharmonic blessed our auditorium. Academy Award-winning performances that received only vocal recognition at the Awards Assembly. The Olympic Runner starting the Indoor Olympics. The hassle in deciding on caps and gowns. Rope-burn down my entire body from pulling a string through my clothes. And the people I took for granted--My close friends, the teachers who were always there when I needed help, The kids I never really knew--They all influenced me, each in a different way, Making me the unique person I am. The greatest four years of my life are over. Years of joy and sorrow, years of teaching and learning, preparing for the future. I'm truly privileged to have spent them at PHS.

Pom-Pon Girl Reduction a Big Asset to Group

This year the number of Pom-Pon girls was reduced from thirty-two to sixteen. The reduction was a great asset to the group because it enabled the routines to be more flashy and eye-catching.

The Pom-Pon girls, under the direction of the twirlers, learned many new steps and ideas. They all spent a great deal of time trying to perfect each movement.

Another asset to the group was getting new outfits to wear. Garbed in red and white checkers, they were perfectly dressed for any girl-watcher.

Typing is essential to Journalism.

New Changes Add Spice to Newspaper.

To make the school newspaper more interesting, this years' Booster Staff originated a "Both Sides Now" column, in which they debated various issues of school and national importance. Also, instead of having the traditional male writer of the sports column, they had "JJ's Jive", written by Jennifer Jones. These changes, and many more, added a lot to the newspaper which was greatly enjoyed by the readers.

Pat and Eric Work on a new idea for "Both Sides Now."

Cardinal Staff Works Toward a Fall Delivery

This year the Cardinal Staff initiated a few changes in the annual. The major change is the fall delivery. This enables us to include some events that were previously omitted, even though they are of great importance in the school year. Among these are Prom, Graduation, Cardinal Day, Awards Assembly, Fine Arts Festival, and National Honor Society. Another big difference that the fall delivery has made is the addition of two full color pages to the annual. This is a "first" for our annual.

P.H.S. Harrier Reaches State Competition

This year's cross country team was an exceptional one. After losing six starters to graduation last year, this team came back with a fresh group, except for two seniors, and put together a team that PHS was proud to call its own. They ran against some of the stiffest competition that could be found and always pulled through by placing in the top ten teams.

This year's senior runners, Mike Hageman and Doug Keas, provided leadership to the rest of the team. Doug Keas, the first man on the team, ran a remarkable course throughout the season. Besides placing in the top nine at every meet, Doug was able to go to state competition. He placed a strong fifth place out of some one hundred thirteen harriers. Mike Hageman, who also ended his three year career as a cross country runner, was consistently in the team's top three runners throughout the season. Both senior runners did a fine job for PHS. Mr. Merreis felt the strong point of the team was the number of underclassmen who participated. Of the ten runners who ran off and on for the varsity, three were freshmen. Having a good young team like this as freshmen can only lead to a State Championship in later years.

In summing up the cross country season, of the seven invitationals the varsity ran in, the team placed second at the Hill City invitational, third at the Ellis and Phillipsburg Invitationals, fourth at the MCL Varsity Meet and at the Hays Invitational, seventh at the Regional, and eighth at the Russell Invitational.

Tennis Team Has Many 'First Evers' This Year

With several 'first evers' Plainville's Tennis Team had what could be classified as a big year. First, they sent both of their Doubles Teams to the State Tournament. Second they went undefeated in dual matches. Third, they won the League Tournament. Fourth, three of their singles went undefeated. The three singles players were Patty Macke, Marla Brack, and Christy Hrabe with Anita Hrabe close behind losing only to Brack in the League Tournament.

For the first time Plainville was represented in the State Tournament. The Doubles Teams went after placing 3rd and 4th at the Regional Tournament. They had high hopes but met tough competition and lost in the first round. Patty Macke and Christy Hrabe along with Tam Zeigler and Kathy Slimmer made up the teams.

The Tennis Team won the MCL League Tournament with Marla Brack taking first, and Anita Hrabe taking 2nd in singles. Tam Zeigler and Kathy Slimmer took 2nd and Patty Macke and Christy Hrabe took 3rd in Doubles.

First time wins that the Tennis Team had this season were hard fought matches with Hays and Russell.

Plainville Cardinals Still Reign Over M.C.L.

The Plainville Cardinal football team had an outstanding year ending up with a 7 win 2 loss season and the MCL Championship.

The only two upsets the Cardinal team faced were against the Smith Center Redmen, who won by a close 14-12 margin, and the Ulisses Tigers, state finalists, who won the tough battle by a score of 21-5. After these two losses, the mighty Cardinals came back to win the six remaining football games and capture the MCL title for the second year in a row.

Plainville had a first this year. Senior Jerry Staab not only made first team all-class All State defense, but also first team all-league defense, and was eventually selected for All American Honors. Robbie Ross and Mike Jaco also make a fine showing for PHS by making honorable mention all-state offense in Class 2A.

Plainville's Jr. Varsity Punishes Opponents

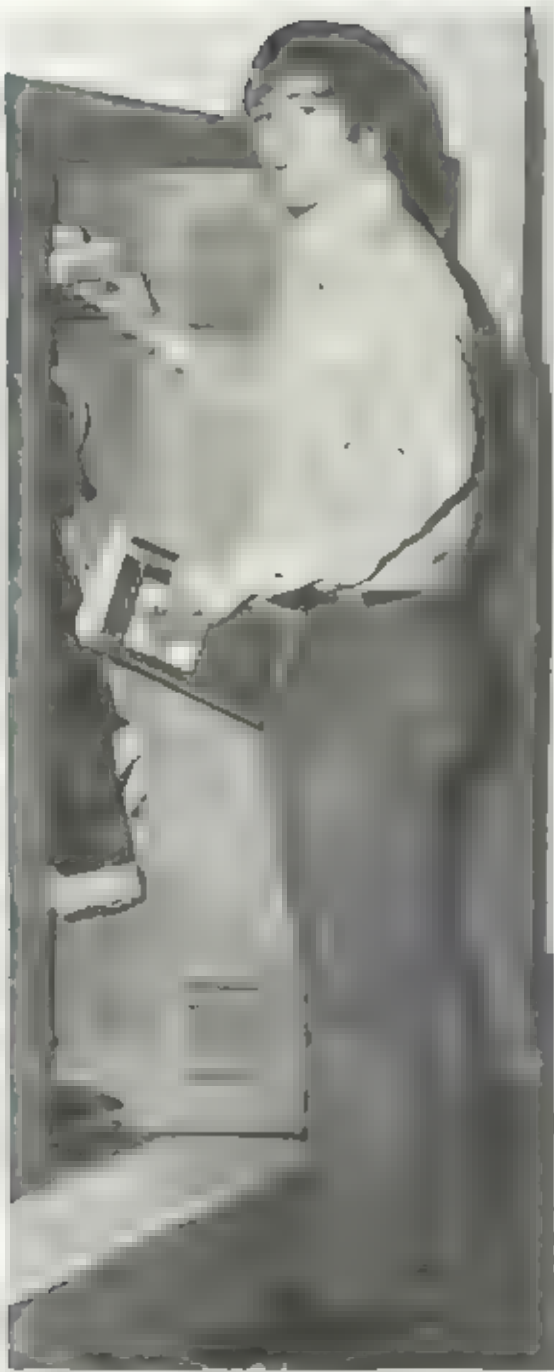

The Jr. Varsity football team punished all comers this season with coach Roger Allen leading his team to an undefeated season. Not since 1959, when Al Hargrave's team posted a 9-0 record, has Plainville seen a football team go undefeated.

To help get ready for next year's season several B-teamers played on the Varsity starting team. Darrel Austin and Jeff Ruder had fine seasons defensively. Brian Reslev was the starting right end with Pat Garvert coming in mid way through the year to play tackle.

The chances of a team winning a League Crown three years in a row aren't good, but with this outstanding Jr. Varsity coming up, Plainville can't be counted out.

For his outstanding performances this year, Jerry Staab was nominated for the High School All-American Football Team by area sportswriters. This is certainly one of the highest honors that a Plainville player has received.

Cardinals Take MCL; Come Close to Record

Winning the MCL Tournament for the second time in the history of the MCL was only one of the many accomplishments that this year's Basketball team brought home.

Collecting four trophies ranging from MCL standings to Sub-State, Coach Northup's Cardinals finished with one of the best seasons that Plainville High has ever seen.

Going farther in the State Playoff than any other Plainville team, the Cardinals finished among the top 16 2A teams in the State.

Playing the MCL Tournament at the new Gross Memorial Coliseum in Hays this year, the Cards had a tough time of it as they slipped by Phillipsburg in the first game by two points. Plainville then met the undefeated Ellis Railroaders for the MCL crown. The Cards, playing their best game of the year, had another close one as this game was never in hand by either team as the score was tied at the end of regulation play.

The overtime play was the same close game as it always was. At the closing seconds of OT, senior Rob Ross swished two free-throws to win 58-56.

In the Regional, held at Hill City, the Cards advanced to the Championship game in which archrival, Stockton, pulled an unexpected upset giving the Cards the Runner-up position and a trip to Dodge City for the losers bracket Sub-State Tourney.

Plainville whizzed by Jetmore and went on to meet St. John for the Championship. Bad breaks were the undoing for the Cardinals, losing and taking Runner-up again and ending the season with a 15-8 record.

Leading the scoring for Plainville, and much of the area, was Mike Jaco with a total of 468 points in 23 games, giving him 20.3 points per game. Mike scored in double figures in 44 games for three years of Varsity ball.

Plainville placed three on the all-league team as Seniors Mike Jaco and Mike Hageman were chosen for the First team and Junior Tom Melton received an Honorable Mention.

Coach Northup summarized the season with, "Second best season in fifteen years. It was one of the best seasons ever."

Junior Varsity Ends Season With 9-7 Record.

This year's J.V.'s in working together, provided the Plainville fans with many evenings filled with excitement. As a team they posted a nine win seven loss season outdoing by far last year's record. Coach Blecha felt that the good season was due to the fact that the team had several fine players who were well experienced from last years play. Outstanding scorers were Kevin Ross, who had an average of 10 points, Pat Garvert who was transferred to the varsity team and finished up the season playing off and on for the starting five, and Roger Hrabe a six foot two inch sophomore. These players provided the much needed leadership for the B team squad and should be of real value to next year's varsity string.

As for the freshmen, they too finished with a respectable season ending up with 11 wins and 4 losses. Coach Norhtup stated that he felt the freshmen team are a group of boys with real potential to make a great team since so many handle the ball well. Frank Dreher, who at the beginning of the season had an average of 16 points a game, was transferred to the A squad and finished up the season being an asset to the team. Also Coach felt that David Owings, Mike Hake, Brian Harrison, Vance Westhusin, and Dan Page, did an outstanding job for the freshmen team. Two freshmen, Matt Keas and Jeff Ruder, were playing well until they became injured, but coach felt that they would be back next year to make up for what the missed out on this year.

Girls Show Spirit While Improving Steadily.

Thirteen girls reported to Coach Olen Smrcka to begin the second season of Girls Basketball.

Taking a serious frame of mind, these girls set out to prove that the sport of Girls' Basketball is not something to laugh at.

Although they put up with many inconveniences, they set out to improve on last year's mark of 2-6.

With seven letterwomen to lead the way, they took the home court for the season opener only to meet defeat at the hands of a big Hill City team 23-24.

Determined not to let history repeat itself, the Female Roundballers took the home court to punish the Ellis Railroaders 34-22.

The next action for the Cards was the Phillipsburg Girls Basketball Tournament in which the girls lost a heartbreaker to Natoma 26-27 in the first round. Receiving a bye for the second round, Plainville then advanced to face Lenora in the final round. Dropping this game, the Cardinals received 6th place.

Hitting the road, Plainville traveled to Stockton only to suffer another defeat.

Then going to Trego, the Cards played one of their better games giving all that Trego could handle but losing by a mere 2 points, 26-28.

The Cards came back after Christmas Vacation to face a competitive Phillipsburg team in which the Cards just got going, suffering their worst defeat, 41-7.

Facing Natoma for the second time didn't prove to be of an asset for the Cardinals. With several bad breaks and poor shooting pulled it out once again by 2, 18-20.

The Female Cagers, tired of finishing last, traveled to Palco to post the second victory of the year by defeating the Roosters 25-19.

Going into the Regional Tournament, the Cards drew one of the top teams in the area, the Osborne Bulldogs. Wanting to pull an upset the Cardinals went into the game determined and gave them a game of all games. Keeping Osborne on the run continually, playing their kind of ball and all that they had the game went into overtime. Here the Bulldogs took charge of the game, with Plainville closing out the season with a 24-29 loss.

As for the Jr. Varsity team, they had a somewhat more successful season as they finished with a 3 win 3 lost record. This is the first winning season in Girls Basketball, since it began two years ago.

The Jay Vee's had wins over Hill City, Ellis, and Trego. The win over Hill City is the first win against Hill City in 2 seasons of play.

In the lost column, Plainville met defeat with Stockton, Natoma, and Phillipsburg.

The Girls varsity ended the season with an overall record of two wins and eight losses.

When you are number one, everybody is after you as this year's Wrestling team found out. Trying to repeat as MCL Champs, they ran up against the toughest competition that any Plainville Wrestling squad has met, all of which were after the Cardinals and the League title.

With a young, inexperienced squad, the Cards suffered through the worst dual record of Plainville Wrestling recent history, with a 3-5 record.

Seniors finishing their High School Wrestling careers this year showed pride and leadership throughout the season. The four Seniors were Eric Simearll, 126 lbs, Phil Mock, 145 lbs, Phil Jones, 167 lbs, and Jerry Staab, Hwt.

The Cards placed 3rd at the League Tournament held at Hill City, with Jerry Staab and Rick Dreher taking individual honors winning their weight classes.

Keeping tradition alive, Plainville sent wrestler Rick Dreher to the State Tournament. Winning his first match, he moved up to meet the state champion, losing this match, he then went on in the wrestleback bracket, winning here, he took 3rd in the Tournament.

Female Athletes Break Old Track Records

Jorja cleans out her locker after returning from the state meet where she placed fifth in the broad jump.

As another year of girls track came to an end, the women of PHS showed more and more their abilities as athletes. A lot of the credit should go to Mr. Archuleta and his assistant Steve Blecha for constantly coaching and keeping the girls in tip top physical shape. As a tribute to Mr. Archuleta and Mr. Blecha's coaching and the team abilities, certain girls were able to break past records of PHS such as the 100 yard dash of Jorja Gager, 110 hurdles by Vicki Dunning, 880 relay by Jorja Gager, Connie Rogers, Susan Selbe, Kathy McCune, 440 yard dash by Kathy Slimmer, 440 relay by Norma Mason, Connie Rogers, Lora Selbe, Kathy McCune, High Jump by Theresa Skov, Long Jump by Jorja Gager, and the Soft Ball Throw by Joni Selbe. With all these accomplishments backing them up, PHS will be looking for another fine season next year.

Underclassmen Prove to Be a Valuable Asset.

GOLF SQUAD: (FIRST ROW): J.D. Rein, Steve Stepp, Rod Milke, Steve Reese, (SECOND ROW): David Owings, Brad Ward, John VanDyke, Dana Girvan. (THIRD ROW): Ron Pederson, Paul Wheeler, Kevin Unrein, and Roger Hrabe.

Golf season this year proved to be a most successful one for the PHS Golf squad. With the help of several strong underclassmen, the golf squad was able to accomplish many things which in previous years it could not, due to inexperience. After the squad conquered this inexperience, they were able to go on and capture the MCL Championship in two man competition, something which has not been done for ages. For these efforts, which have brought PHS' name back onto golf scoreboards, the squad should be commended.

Rocky Hamblet, played second man in the medal catching two man team. He was the only senior on the team this year.

John VanDyke, a sophomore and second year letterman, placed first medalist in 3 out of 7 meets.

'73 Homecoming Spirit Not Dampened by Weather

Homecoming '73 began with crepe paper, poster markers, and kids everywhere for the annual hall and float decorating contest, and progressed with intermittent rain to cause the canceling of the PHS bonfire. But, with the dawning of Friday and a lot of high hopes, no rain fell, so the spirit parade was carried off with the entire student body either marching in the band, riding a float, or cheering from the back.

The parade ended in front of the school as the juniors received the winners spirit stick for their hall decorations, and pep rally was held with Phil Mock, Mike Jaco, and Jerry Staab as speakers.

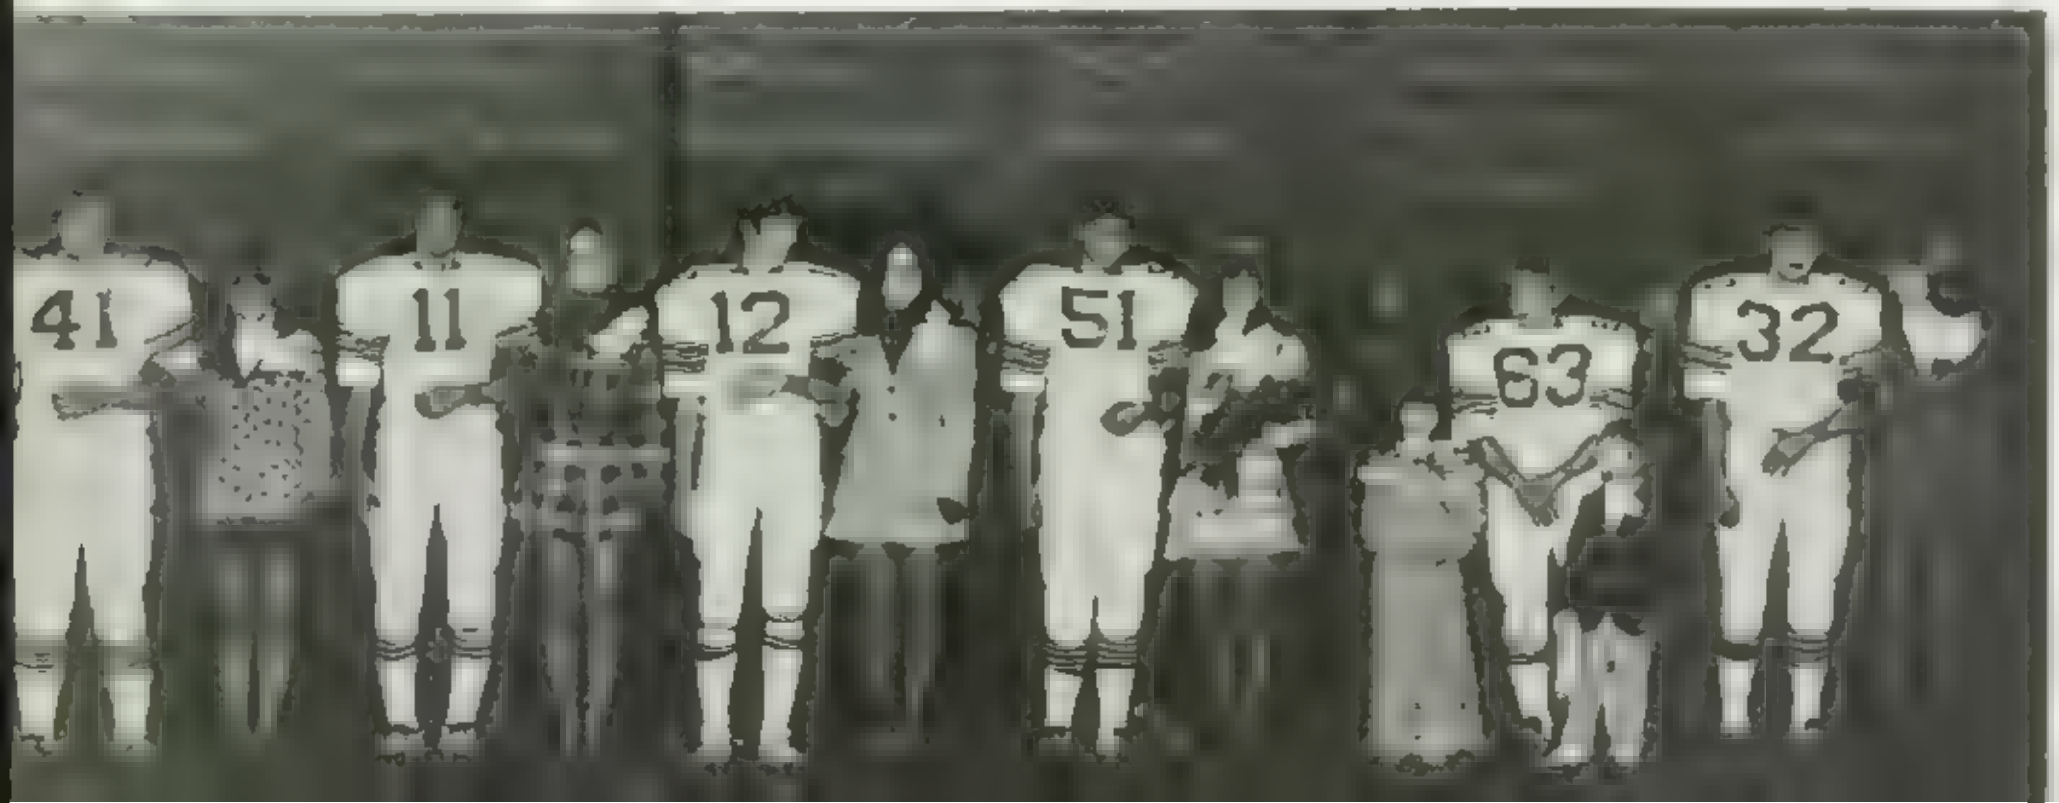

Earlier in the day queen candidates Deb Strouse, Christy Hrabe, Lorraine Simpson, Diane Gore, and Kathy Schmidt and their escorts Phil Mock, Jerry Staab, Rob Ross, Phil Jones, and Mike Jaco, respectively, were introduced and seated on stage in the auditorium while Alan Rempe sang the theme song "Yesterday Once More."

The evening activities began with the presentation of the candidates and the announcement of Diane Gore as the 1973 Homecoming Queen. She was given the traditional roses, crown, and kiss by captain Phil Mock.

Even with a damp, slick playing field, the Cardinal team was cheered on to victory over the Stockton Tigers by a score of 22-0. Everyone then proceeded to the dance to enjoy music provided by the "Chancellors"

Winter Glacade Captures "Time in a Bottle"

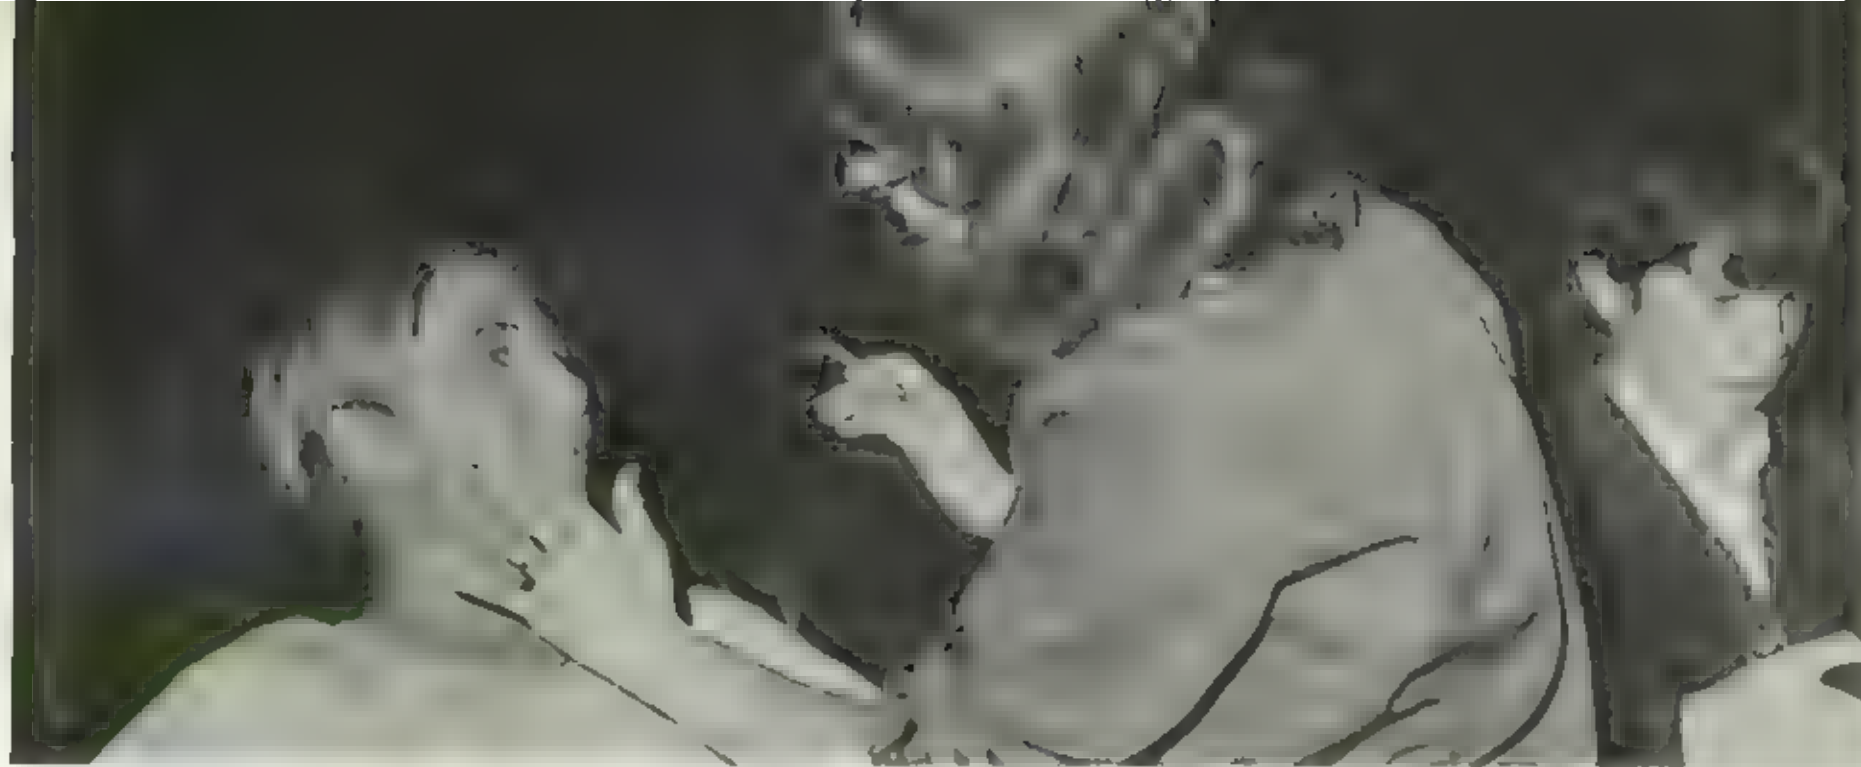

This year the candidates for the Winter Glacade were chosen on the same order as those for homecoming. The wrestlers and basketball players chose the candidates and then submitted those nominations to the entire student body.

The candidates were then introduced at the beginning of the evening activities and the announcement of Anita Hrabe and Phil Jones as the Queen and King climaxed the event. Anita was presented a crown and arm bouquet of daisies and the traditional kiss by Phil Jones. Anita then placed a small crown, also of daisies, on Phil's head. They were then serenaded by Allen Rempe who sang the theme song "Time in a Bottle."

After the crowning activities the dance began with the band "Slaughterhouse" providing the music.

The candidate couples were Sharon DeBolt and Rick Dreher, Kathy Schmidt and Mike Hageman, Deb Strouse and Jerry Staab, Anita Hrabe and Phil Jones, Cheryl Tucker and Mike Jaco, Susan Selbe and Tom Melton.

"George M." Successful; Directed by Risley

An evening of excitement started as the curtains opened and the long awaited musical "George M." was underway. The leading role of the musical, George M. Cohan, required the teamwork of J. D. Rein, Dale Pruter, and senior Allen Rempe. The teamwork of these brought round after round of applause as well as tears to the eyes of many. The story told of George's life from the time he was born until his big career on Broadway had come to an end. According to Mrs. Risley it was, "A fantastic performance greatly enjoyed by those who saw it." Mrs. Risley, music teacher and director, produced and directed the musical like a professional, although this is her first year at P.H.S. The coordination of superior acting and magnificent directing possibly produced the best musical Plainville has witnessed.

Successful Senior Class Play Results From Team Effort

After many hours of practice and hard work, the Senior Class presented "To Kill a Mockingbird", the story of a young, girl, her father and brother, and the joys and sorrows of her small town life in Macomb, Alabama.

The cast practiced nightly to learn their particular parts, while Lawrence Rempe and his stage crew spilled paint on each other, set up a tree in the middle of the stage, and tried to assemble tumble weeds in an orderly fashion.

All the participants would like to thank Mrs. Wilson for her patient guidance in making the play the successful event that it was.

Members of the cast were:

National Honor Society Initiates New Members

Twelve new members were elected to the National Honor Society on May 7. The candlelight ceremony took place in the high school auditorium with Mr. Mann and Chris Hrabe, Sue Leikam, Kathy Slimmer, Anita Hrabe, Deb Strouse, the five preceding senior members conducting the ceremony.

A committee of faculty members selected five percent of the junior class and ten percent of the senior class to be on the organization. These members were chosen on the basis of character, scholarship, leadership, and service.

There were eight seniors and four juniors elected to the organization. The seniors were: Marla Brack, Wendy Davis, JoAnn Dinkel, Phil Mock, Chris Hancock, Pat Macke, Deb Hutton, and Mike Jaco. The juniors were: Verna Smith, Claire Koehler, Sharon DeBolt, and Jorja Gager.

Wendy Davis started the year in the One Act Play, but was unable to finish due to a car accident.

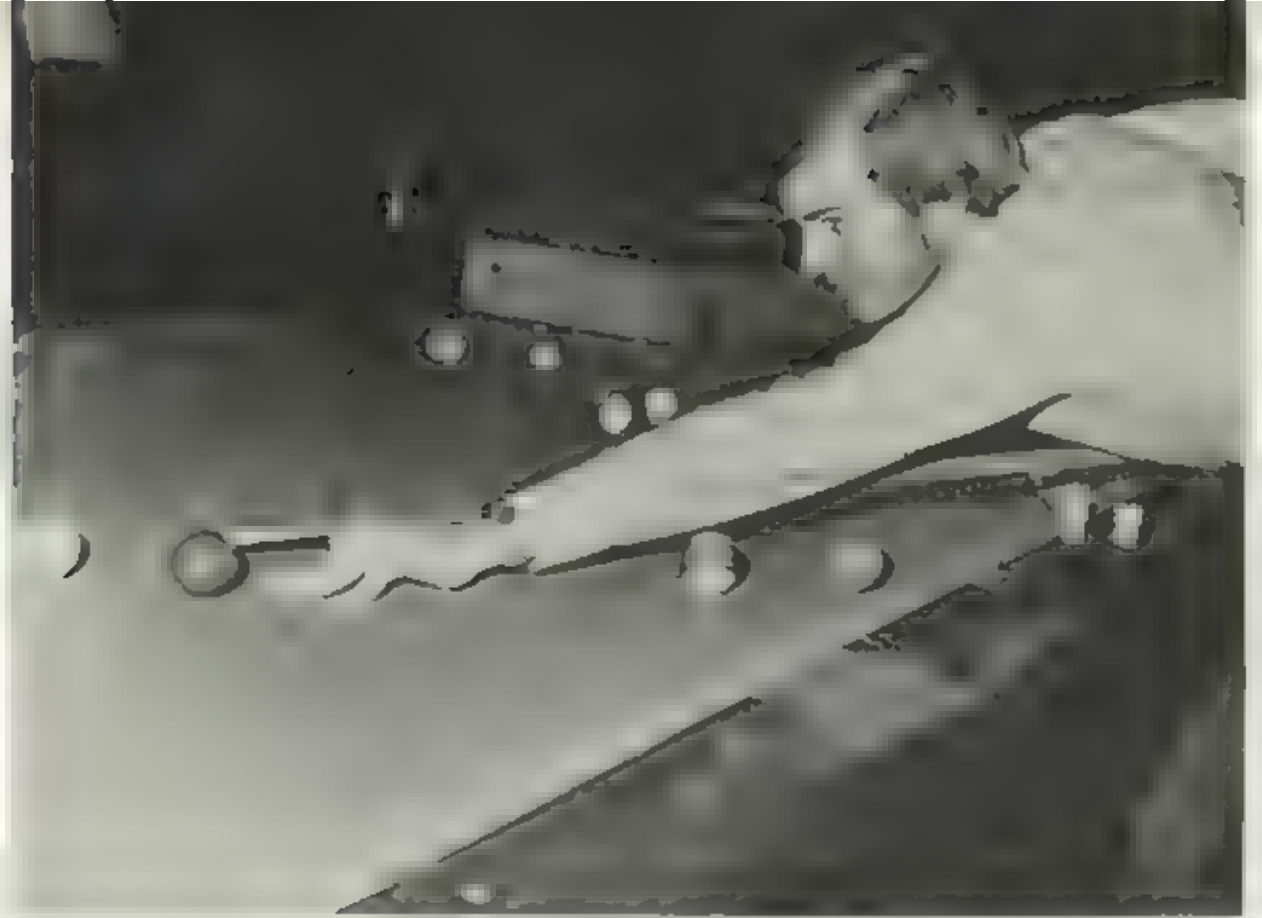

Fawn, Rhonda, and Judy (not pictured) received I ratings at State.

ONE ACT PLAY (FIRST ROW): Thea Rempe, Christy Hrabe, Marla Brack. (SECOND ROW): Marjorie Reese, Pat Macke, Vicki Dunning.

A handful of interested students, under the direction of Mrs. Lois Wilson, competed in speech contests again this year. A total of five different contests were attended, the first being the Ellis Invitational. Here, Rhonda Sims placed in the top three ratings in her Prose and Poetry, which qualified her to attend the state contest. The next contest was the Hoxie Invitational, followed by the MCL contest at Phillipsburg. In overall competition at league Plainville placed fifth. At the Regional contest at Colby all entries from Plainville received I ratings, which enabled them to compete at the State contest at Great Bend. At State we obtained six I ratings and one II rating. Those participating and their ratings in the listed categories are: Rhonda Sims and Fawn Burrus received I ratings in Poetry; Judy Herman and Rhonda Sims received I ratings in Prose; Chris Hrabe received a I rating in Infor. Speech; Pat Macke, Marla Brack, Thea Rempe, Vicki Dunning, Chris Hrabe, and Marge Reese received a I rating in the One Act Play; and Monica Marston received a II rating in Dramatic Intrep.

STUCO Revises Constitution to Aid Students

One branch of total student involvement this year at PHS was STUCO. Its many activities started at the beginning of the year with the indoor olympics, and continued with open house, powder puff, chili supper, and of course the student exchange, this year with Abilene

STUCO started something new this year when they adopted a seven year old boy from Guatemala, Jose Francisco Toledo. Through their support he is going to school and learning to read and write.

Also on the list of new STUCO activities was the revision of the constitution. By changing it they lowered the number of members in STUCO, and officially got rid of several long forgotten rules

The lounge also got a new look this year, with a coat of paint. Also an air hockey table and a foosball table were added to make a better student recreation center

This years STUCO officers were Sue Leikam, Pres; Cheryl Tucker, Vice Pres; Patty Macke, Sec; Anita Hrabe, Treas; Vicki Dunning, Pub Chairman.

Abilene exchange students Connie Siebert and Fern Flynn were treated to a royal feast.

Future Farmers Strive to Better Community

FFA, a very striving organization, did much to help our community this year. First by replanting 2000 trees for soil conservation and by eradicating many trees from a pasture that was over run by a form of noxious tree. Several judging contest were entered by the Plainville chapter and they placed very well. The long awaited FFA Pancake Supper was held on the 23rd of February. Mr. Hachmeister agrees that this year has been a very prosperous year for FFA.

P-Club Is Engaged in Numerous Activities

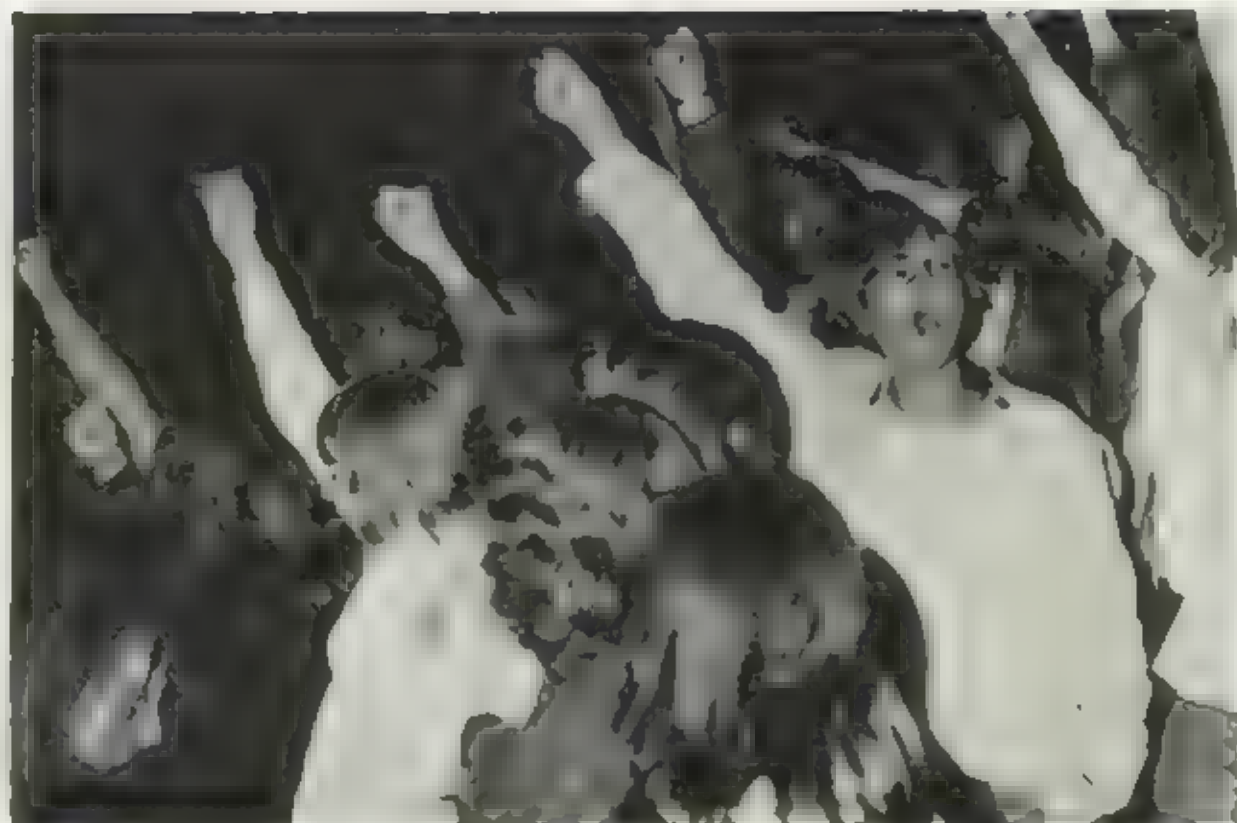

The lettermen of Plainville have sponsored numerous events throughout the year, among these were the annual cake sales at basketball games and at wrestling matches. These cakes were usually furnished by the mothers of P-Club members. The profits made on the cake sales are used by P-Club to sponsor boys going to FCA camp during the summer.

Another event was hauling bales. Members of P-Club met on Sunday afternoons to haul bales for local farmers. The money made on this was used for the Winter Glacade and the annual P-Club trip. This year P-Club went to the K-U Relays at Lawrence. P-Club also sponsors the Battle of the Sexes.

Pep Club Has Large Turnout At Sports Events.

The largest activity of Pep Club is cheering at most of the sports events. This year teamwork was shown by the Pep Club by the large turnout at each of those events. Pep Assemblies, which were greatly appreciated by all the athletes, were held at least once a week to boost school spirit.

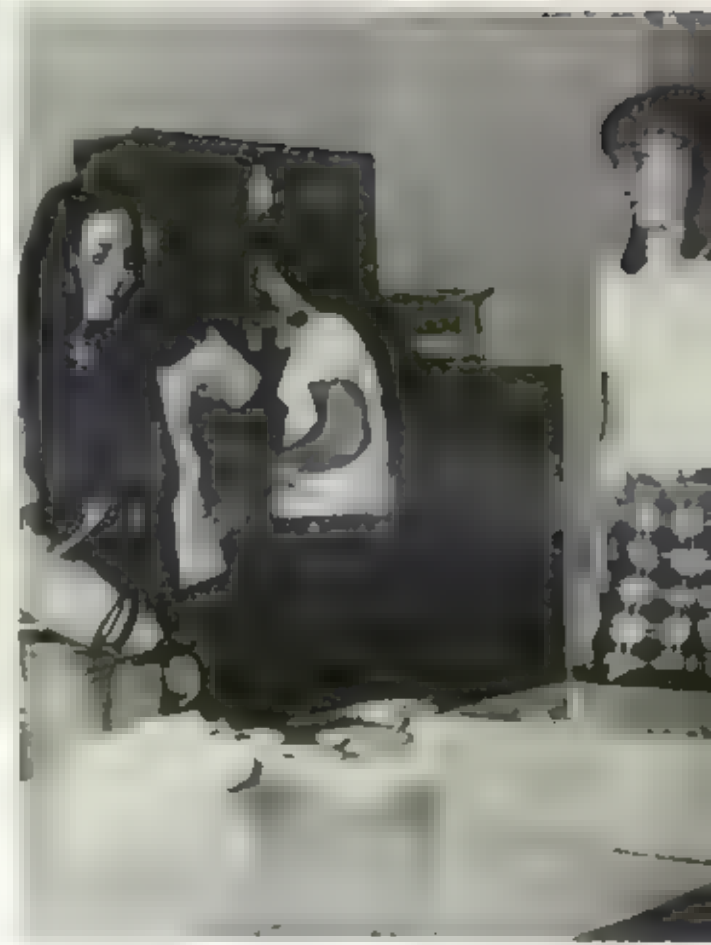

Once again this year the girls sold candy and something new, bumper stickers, to raise money to send the cheerleaders to camp. Each of the members was required to sell five boxes of candy and one sticker.

The boys were once more an important part of Pep Club. With four yell leaders to help boost spirit during football season, our Pep Club was one of the best ever in Plainville High School.

FHA Initiates New Ideas Into Organization

Judy Herman and Thea Rempe pose for a picture with their adopted grandmothers

This year FHA was privileged enough to have one of their members elected a state FHA officer. Thea Rempe, state historian, was elected at the district meeting and was a representative of Kansas at the National meeting in Chicago.

Many new projects were added to the list of FHA activities this year. The girls adopted grandparents from the Rooks County Nursing Home. Each girl tried to send her grandparent small gifts, letters and visits to brighten his or her day.

Again this year the girls had slave day for a money making project. They also sold stationery and had evening meetings. All of these things had one common goal, the state meeting in Topeka.

Each year the girls with the most points from each of the activities are given the privilege of attending the state FHA meeting. With this to strive for, each of the girls does her best to make FHA a successful organization.

The Men Triumph, in a Very Close Battle.

If there ever is a time when the classes of PHS unite for a common cause, it is the Battle of the Sexes. However the definite rift between the boys and the girls is surely evident.

This year in the 17th Annual P-Club sponsored Battle of the Sexes, the boys were victorious, amid shouts of joy and boos of hysteria, by a score of 65-55. Some of their "winning" answers were: Question, "What is love in tennis" Answer, "Sportsmanship." "At what age does a child have a vocabulary of 250-300 words?" "Twelve."

Participating in this years Battle were, Kathy Eilts and Vance Westhusin for the Freshmen, Stephame Mock and Mark Westhusin for the Sophomores, Verna Smith and Ritchie Beougher for the Juniors, and Kathy Slimmer and Chuck Comeau for the Seniors.

Cardinal Day 1974

The Class of '74' grabbed top honors at Cardinal Day, April 25, 1974. STUCO, the organizer of Cardinal Day, planned an afternoon full of games and relays and added two new games, baseball and tennis.

The Day began fourth hour with the beauty and the beast contest which Jim Dobson and Claire Koehler won by dressing up as Dracula and Countess Claire. All the other classes were well represented, with the upper 3 classes having a couple take one of the top four places.

At 1:00 the games started. They consisted of volleyball, softball, basketball, and football. Four selected people from each class were chosen to play tennis, foosball, and air hockey. At 3:00 everyone met down at the track for the relays and 3-legged race.

The Seniors took first with 73 points, Sophomores took second with 67 1/2 points, Juniors took third with 47 points, and the Freshman took fourth with 32 1/2 points.

Successful Showing At Fine Arts Festival

The 12th annual Fine Arts Festival came off in fine style after long hours of hard work and planning. It was again quite an accomplishment for students to be proud of. Some of the work which was being displayed went to Colby Juco's art show where it placed rather well. As the evening continued, the crowds went to the auditorium where the FHA installation was taking place. The evening then ended with the delightful sounds of the PHS choir under the direction of Mrs. Sandra Risley, and the stage band directed by Mr. Johnson.

All in all the evening was a testimonial of all the work which PHS students have been slaving over in the past year. It was truly a delightful experience for all who attended.

Necessary finishing touches are provided by Rhonda Sims.

Awards Assembly Honors Outstanding Students

For the first time the athletic awards were presented at the athletic banquet which produced a much shorter and more interesting awards assembly. Miss Mawhirter started the program off by presenting the Pep Club letters and special recognition to this year's cheerleaders and yell leaders. Outstanding farmer and the winner of the Creed contest was announced by Mr. Hachmeister. Mrs. Slimmer then awarded the FHA letters. Two winners of STUCO scholarships were announced and two students were selected to receive P. E. O. grants and two for T. A. D. grants. Mr. Johnson awarded the honor roll pins to all students who were on the honor roll for three out of four nine week periods. All the recipients of College Scholarships and the results of K. S. S. C., were announced by Mr. Mann. Joint recipients of the Billy O'Brien award were announced by Mr. Johnson. The best supporting actor and actress and best actor and actress were presented by Mrs. Risley. This year a new award was given, the best singing actress. Mrs. Wilson then gave the awards for the Junior and Senior Play. The assembly ended as this year's Stuco President Sue Leikam turned her position over to the next year's president Jim Dobson.

Judy Herman sang the theme song to begin the banquet.

Seventy-eight Seniors Graduate in Seventy-four

Windy, cloudy weather was the setting for the 1974 Commencement Exercises. Seventy-eight seniors filed onto the football field with heavy hearts and queasy stomachs to receive their long awaited diplomas.

On May 13, at 8:00 p. m., the graduates marched in to the traditional Pomp and Circumstance. First on the program was the invocation given by Rev. Dale Buchman. He was followed by the combined choruses under the direction of Mrs. Sandra Risley. They did a musical number entitled "American Hymn" featuring vocal and trumpet solos by Seniors Allen Rempe and Frank Copeland.

Superintendent of schools, Mr. J. D. Brunnemer then introduced the guest speaker, Marc R. Minnis. Mr. Minnis is from Wichita and is working towards his Masters degree at Kansas State Teachers College in Emporia. He is also assistant director of the Student Council Workshop sponsored by the KSHSAA (Kansas State High School Activities Association). His address, "The Process of Life Never Stands Still" emphasized the need for involvement with people rather than the gung-ho attitude toward careers and money-making. After his address, Mr. Brunnemer presented the Salutatorian and Valedictorian awards to Anita Hrabe and Kathy Slimmer.

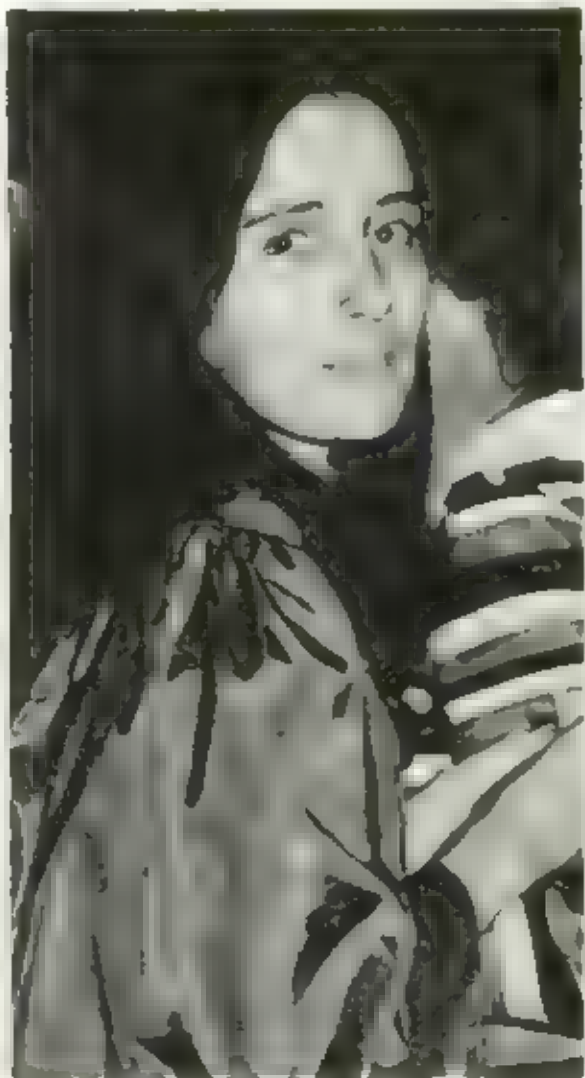

Mr. Hargrave then presented each senior as he or she mounted the platform to be presented their diplomas by School Board members Jack Mock and Glenn Keas.

The graduates then sang the Alma Mater with accompaniment by the PHS band. Closing benediction was given by Rev. Dale Buchman. A reception line was then formed along the track, and the graduates received congratulations as emotions reached their ebb.

Baccalaureate services were held Sunday May 12. Rev. Don Paden gave the invocation, and was followed by Mrs. Risley's combined choruses who sang two numbers entitled "Battle Hymn of the Republic" and "You'll Never Walk Alone". After a scripture reading by Rev. Paden and a sermon by Rev. Phil Hollis, Rev. Paden closed the service with benediction.

Guest commencement speaker Marc R. Minnis relaxes for a moment before the graduation exercises.

Seniors hold their caps from the gusty winds as they listen to Marc Minnis, Commencement speaker.

Kathy Slimmer and Anita Hrabe were Valedictorian and Salutatorian.

Slightly windblown, Eric receives his diploma from Mr. Jack Mock.

PLAINVILLE CLINIC

PLAINVILLE, KANSAS

Last Word

As we leave these halls we leave behind us a year that was filled with the events that are depicted in this book. It is now, looking back on this past year, that we realize how much the events of this year, whether happy or sad, have become a part of us.
